**Chairperson Report**

Hello ORSCNA Family--grateful addict named Lenore. Very happy to be here and to be of service. Since we have Remane that was elected as Vice Treasurer I can chair the meeting--Thank you to Remane!! I am saddened to report that Mark W the Vice Chair has decided to resign due to schedule conflicts with his work. An email was sent from Mark W and will be read by Sherry E.  
 Thank you again for allowing me to be of service

**Vice Chair Report**

Greetings Trusted Servants,

I am sending you this email to inform you that,..."Again",...I cannot attend this month's (April 2014) Regional Meetings in Lancaster due to being required to work this weekend on a last minute notice. It has become apparent that the State has been requiring me to work weekends more often than not since my employment with them,...and this has definitely had an impact on my Regional V. Chair commitment,...now missing 2 Regional Meetings in a row,...and my being unable to guarantee my attending future Regional Meetings and/or events. With that becoming more and more apparent,...it is evident that I should do the responsible thing and resign as Regional V. Chair. I am doing so with a

heavy heart,...however it is the right decision to be made by myself,...respecting that this trusted servant position needs to have someone fully available and present while serving the recovering addicts within the ORSCNA Region,...which obviously I am not able to do. I

will stay in touch when possible,...and You & Recovery Will Be In My Thoughts!!!

Thank you for the honor of serving while I could,...and Be Good To Yourselves!!!  
Humbly

RDA/A Report

Good morning ORSCNA family,

It has been a busy quarter and it seems like it flew by, I am receiving new materials almost daily from the WSC and am getting prepared to go. The next two weeks are a nightmare for me as I have to take all my finals 2 weeks early without the benefit of class as well as my business and family life. The things we bitch about – from a lack of chore boy to a rich and fulfilling life. I suppose I would complain if they hung me with a new rope.

Since the last time we met Charles and I have traveled to Kalamazoo, Michigan for the CAT/CAR workshop, and been asked by the DASCNA, SASCNA, FRASCNA and MVASCNA Areas to give a joint workshop in Dayton on March 8<sup>th</sup> (I believe). We went to COASCNA for their Workshop on March 15<sup>th</sup>, and finally LCASCNA held their workshop on March 30 (A shameless plug for Lancaster, they are the smallest area we did but were also the highest in attendance)

I have also received an email from Steve Rusch and been asked to get it to the right people and respond on any actions taken. Anita from the Volunteers of America Men's Emergency Shelter has contacted NAWS about either starting a group, or hosting an H&I panel, I have a copy of that email for either Dave, Mariclaire, or Remane whoever wants it.

Last region I was given \$650.00 (\$50.00 advance per diem for Kalamazoo and \$600.00 to secure airline tickets to CA). My plane ticket cost \$397.00 and I have receipts for \$42.90. I was preparing to send the balance of the money back to Remane or Lenore when I was contacted by the various Areas wanting Workshops. I contacted Lenore we agreed that it made no sense to send her money and then her give it right back so...I am turning in receipts for \$75.00 in gas from here to Charles house for the MZF, \$61.00 to get to Dayton for the Car Workshop, and \$11.00 for travel to COASCNA workshop. I learned a valuable lesson about receipts I lost three totaling about \$30.00 for food in Toledo, Kalamazoo, and Dayton. I will certainly be more mindful of this in the future. I am returning to the Region \$63.10.

**Treasurer Report**

Good Morning Family,

We began the day with a balance of \$5549.60, I also made a deposit of \$1195.00 yesterday which is not included in the beginning balance.

We have an overdue balance with Townhall II of \$52.50 so we will be issuing a check to them for \$682.50 to bring the account current and credit our account through the next RSC meeting. The MCI bill currently has a credit of \$316.27 so we can wait to pay that until July's RSC meeting. It is time to renew our Regional P.O. Box which is \$100 for a year, \$50 for six months. My suggestion is that we pay the entire year in full.

That being said, Policy dictates we donate 15% of our Day 1 balance to NAWS which is \$1128.88.

**Secretary Report**

Hello Family,

It's a great day to be clean and be of service. I do apologize that the minutes were late this month. And if you have questions please feel free to call or email me. I had received some 3 party complaints regarding the tardiness of minutes. I regret to inform you that my nephew died the weekend the minutes should have been sent out which caused quite an upset for my family.

I am requesting reimbursement for 27.62 from the region for 7 copies of the January minutes, 30 Room Reservation Forms, 50 copies of Motion Forms, 50 copies of Nomination Forms, 50 copies of Financial Reimbursement forms, (split with Remane), and 35 copies of the agendas. There was an error in the minutes. I left out motion 2014:003. It was concerning reimbursement for the RD. It has been amended. I apologize.

There is an attendance sheet being passed around, please fill this out even if you think I have your information to ensure that the LOC gets updated. Lenore has been keeping up with the LOC so please make sure they get to either her or I. I have received requests for contact information and have not been able to provide it.

Thank you for allowing me to be of service.

Dear Family,

The COASCNA Area is doing very well. Our participation is low, but our area is thriving. Just in this last quarter we had three or four new meetings open, and have had none close. We have many events coming up, including a building strong home groups workshop on April 26. If you would like more information or directions please feel free to visit <http://www.nacentralohio.org>. We have all our upcoming events listed.

Last month our area hosted a CAR/CAT workshop, attended by both our RD and RDA. While the attendance was low, information was still dispersed and discussed.

We also have a world motion for region to consider. If this motion is approved here at region, we would ask our trusted servants to research the needed information by the 2016 conference

### About The Greater Cincinnati Area

Recovery is alive and well in the Cincinnati Area. The geographic area served by the Cincinnati Area includes Hamilton, Clermont and parts of Butler County in Ohio. It also includes Kenton, Campbell and Boone Counties in Northern Kentucky. Our area presently has 62 groups with multiple meetings throughout each day. Three new groups have been started since the January ORSCNA Meeting.

All H&I positions have been filled as of the last ASC meeting. It was reported that we still have several facilities (both men & women) that need coverage. Our area H&I subcommittee meets on the second Saturday of each month. H&I is having an appreciation luncheon for all past present and future H&I members. The luncheon will be held on May 31<sup>st</sup> at the Ninth Street Baptist Church in Covington, KY.

---

### Quarterly Donations and Expenses

In the process of conducting an audit of the ASC Treasurer's records, several discrepancies have been discovered. At our last ASC meeting the former Treasurer admitted to taking \$1,000 of NA funds and has agreed to make restitution. The audit is not yet complete. Other issues that were revealed include: ASC checks having only one signature and ASC mail being sent directly to the Treasurer's home address rather than the P.O. Box which then resulted in nobody picking up mail at the P.O. Box and the bill for that address going unpaid. New 2 signature checks have been ordered and a new P.O. Box has been established. I will continue to report on this issue as more progresses and the audit is complete. I believe as a result of this that our area has not made a donation to the region for a few months and fear that we will not be in a position to make a regional donation for a few more months. I am happy to report that a new Treasurer is in place and I believe reporting coming from the Cincinnati Area will be accurate as a result.

---

### Literature Distribution

Literature distribution is also part of the treasurer's report and as such I'm unable to accurately report on this subject.

---

### Other Area Services

Our area agreed to send me to Kalamazoo Michigan for the WSC CAR/CAT workshop on the weekend of January 26<sup>th</sup> & 27<sup>th</sup>. I found it very helpful and very cold. Dave L and I hosted a multi-area CAR Workshop at the Friends of Jimmy K event on February 1, 2014. The workshop was attended by three different areas and was a voting workshop. I will be voting our area's conscience this weekend for all WSC motions.

**HAMASCNA**

Hi Family,

Sorry I am unable to attend the meeting this weekend. I came down with some kind of stomach illness quickly so didn't think a 2 hour car ride would be in my best interest, but most importantly didn't want to spread it around there. I'm very bummed about this because this was most likely going to be my last regional meeting as RCM. I have held this position for a long time and really hope it's the time that someone steps up and can fulfill it. I have an interest in doing some H&I service work so we shall see where this journey takes me. I have truly enjoyed my time as RCM and coming to these regional meetings and meeting the many people that I have. So, with that being said, you all take care of yourselves and one another and hopefully will see you soon.

On with business now. The HAMASCNA area is comprised of Butler and Warren counties. We have 24 home groups now with a total of 27 meetings in our area. We had one new meeting open on Tuesday nights in Hamilton called Recovery on Tuesday Night. See [www.hamascna.org](http://www.hamascna.org) for time and location of that and all our meetings if interested. 20 of the home groups were represented at our last area meeting. Hamascna's area balance at the end of February was \$988.53. Our next area meeting will be held Sunday April 27, 2014 at 12 noon in Hamilton.

Our fundraisers for our annual function, Serenity in the Woods, have been very successful. We have one left called Fun in Sun, Dance in the Dark that will be July 26, 2014, starting at 12 noon. This will be a speaker jam with 50/50 raffle and dance. There will be food for sale also. Please see flier on our website or the state wide website.

We also have Paddle to Recovery coming up with a tentative date of June 27, 28, & 29 at Morgan's Canoe Livery in Morrow, Ohio. This is such a fun event, please come out and join us for some canoeing and fellowshiping that can't be beat. Flier will be posted to the website soon.

Our annual area picnic will be June 1, 2014. This is where all area positions are voted on and hopefully filled.

I have our area's votes on the motions from the CAR/CAT workshop that was held in the Cincinnati area. They don't have to be read at this time but listed below for when they are needed.

Motion 1 – For

Motion 2 – Against

Motion 3 – For

Motion 4 – For

Motion 5 – For

That's all I have for now family. Hope to see you all soon. Take care.

Hello ORSCNA Family!

First of all, let me begin by apologizing for my absence. Regrettably, I forgot about the dates of this weekend's RSC meeting when we scheduled this year's Abnormal Weenie Jam Fund-Raiser which is being held this evening – Saturday, April 12<sup>th</sup>. Since I have multiple obligations with the Abnormal Weenie Jam Sub-Committee, I decided that it was more important for me to be present at the Fund-Raiser. I even considered travelling back-and-forth, but felt that may be a bit excessive. Sorry for my oversight.

There's really not been much activity to report on other than I did receive an email alerting me to the possibility that NA meetings/groups in the Athens, Ohio area (currently a part of Area 13) may be considering breaking off from the Ohio Region and joining with the Mountaineer Region. This information was obtained from an RCM report in the Mountaineer RSC meeting minutes. Other than this initial information being forwarded to me, I've heard nothing further in this regard. If anyone has any insight on this, please let me know.

I have nothing more to report at this time.

I know that nominations for most RSC trusted servant positions will be accepted in new business this weekend; and I do have the willingness & interest to serve a second term as Outreach Chair, if you would allow me that opportunity.

In Loving Service,... David L., ORSCNA Outreach Chair

Hello family,

I am unable to attend today my apologies. My finances are low and then I had to go to the dentist Friday. I've got an abscess tooth :( I am on antibiotics and don't really feel that well.

Haven't had an abundance of calls but those that came in have been handled. Thank you to the RCM's who have helped when I call.

I did receive a call from Town hall apparently the bill wasn't paid in full. I asked for the balance due to be emailed to me. When I get that I will then forward on to the chair Lenore unless I am made aware of a new treasurer. I just spoke to town hall on Thursday. Also they are changing the way the phone data is recorded. Instead of green sheets mailed to us it will all become electronic. I will let you know more when I do on this. This will not affect us in any way.

Also a reminder to RCM's if you have a new schedule and would like me to forward that information on please email in a pdf to serenechristine74@gmail.com

Thus far I have only received one from KORA. Otherwise town hall uses the last available online. And they print those off. They check periodically for changes but it would still be helpful if your area has many changes.

Hope you all have a wonderful weekend and I do have the willingness to serve another term although I didn't fill out a new nomination form. See you in July

In loving service, Christina K

**Public Relations**

Dear ORSCNA Members,

I participated in NAWS P.R. Webinar on January 16, 2014. The challenge questions for small group discussion were:

1) How to match talent to task? 2) Collaboration — working with other area/regions

The next webinar date and time is to be determined.

According to the 2014 Conference Approval Track, there is a P.R. Project Plan that will include:

1) creation of a new P.R. pamphlet for professionals regarding medicalization of addiction treatment and the NA Third Tradition.

2) identifying and developing cooperative relationships with researchers, medical professionals, and government officials by participating in P.R. roundtables discussions with them.

We will briefly discuss these topics here today at 3:30 p.m.

Thanks, for this opportunity to serve,

Gina M.

Dear Family,

Thank you for allowing me to serve as the 2014 12 Step Retreat Chair. I have several items to report:

1. Treasurer Report: Our starting balance is \$1,600. Our Treasurer will be getting the new PO Box for 6 months instead of 12 months at a \$35.00 savings – beginning on May 1<sup>st</sup>.
2. The committee voted to keep registration prices the same as last year which will be \$30/\$40 Cabin; \$20/\$30 Tent.
3. We are taking proposals for the DJ for the weekend. DJ must have equipment (extra speakers and/or wire) or be able to tap into Tar Hollow system to ensure that retreat attendees in back of the lodge can hear the speaker.
4. Upcoming meeting dates: May 3 at 3:00pm in Dayton – 1124 Germantown Street; June 21 at 3:00 in Columbus at Regional H&I Learning Day – 5500 Millersfield Drive; August in Mansfield at the Pig-out.
5. We have 8 hoodies leftover from last year's fall retreat. The committee decided to give them to any areas that are having a fundraiser and would like an item to give away.
6. We have 3 vacant postions: Children's Activities Chair, Coffee Chair and Fire Chair.

ILS,

Rodney CD.

Dear ORSCNA Members,

We received P.R. reports from COASCNA and MOASCNA during our meeting yesterday afternoon. We agreed to pass the old P.R. display board to MOASCNA members that may be able to repair and reuse it. Finally, we're enthusiastic about sharing the new P.R. pamphlet with local professionals once it is created and approved.

Thanks for another opportunity to serve,
