

# Ohio Regional Service Pool Information Form

\*\* All Personal Information Held in Strict Confidence \*\*

The Regional Service Pool is a database made up of trusted servants that the Ohio Region Service Committee of Narcotics Anonymous will use to find people who have the willingness to serve the NA fellowship on a regional level. We are looking for members who have the skills and experience that would be helpful in serving the Regional Service Committee as it carries out its responsibilities to its areas and groups. Members with a variety of skills are needed including both recovery and non-recovery oriented skills. When positions become available or when a new project is started, we will be choosing trusted servant from the pool and requesting their assistance.

Thank you for taking the time to complete the resume. It is only because of members like you who offer to serve that NA will continue to grow and thrive.
